Control of Licenses and Authorizations, WT Docket No. 18-197

Dear Ms. Dortch:

T-Mobile US, Inc. (“T-Mobile”) hereby submits a supplemental document production in response to the Federal Communication Commission’s (“FCC’s”) Information Request. This supplemental document production includes cited materials inadvertently omitted from the prior productions and some documents where privilege designations have been downgraded upon review. The production is provided on an encrypted DVD containing the load files and production index associated with the document requests in the Information Request, containing items tagged as “Highly Confidential,” “Confidential,” and “Public,” per the Protective Order.

Pursuant to the procedures set forth in the Protective Order, a copy of the filing is being provided to the Secretary’s Office, including the DVD. In addition, two copies of the Highly Confidential Filing are being delivered to Kathy Harris, Wireless Telecommunications Bureau. A copy of the DVD is also being provided to the FCC’s e-Discovery vendor. Finally, a copy of the Redacted Highly Confidential Filing is being filed electronically through the Commission’s Electronic Comment Filing System.
