Explanation of Appeal

We are writing to request a waiver of the 60 day appeal deadline for the above referenced FRN. On 8/11/15, RAL corrections were sent to the SLD during PIA for multiple FRN's on application 1010082. Upon receipt of the FCDL, it was discovered some of these RAL corrections were not completed. An appeal was then filed with USAC to get these RAL corrections completed and this appeal was approved. However, due to a clerical error FRN 2747396 was mistakenly left of the appeal document when it should have been included.

Conclusion

Based on the information provided, we ask that the 60 day appeal deadline be waived so we can file an appeal with USAC for FRN 2747396 to have the RAL corrections made and have a revised FCFL be issued.

I have attached a copy of the email to PIA and the FCDL for reference.

Thank you for your consideration in this matter.

Sincerely,

Patrick Doyle
