**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer/homeowner and I support broadband competition. I was thrilled when I finally had a viable choice (Sonic.net) to move from AT&T. I did not want to be forced to use cable, and Sonic has provided me with better speeds and service and price than the big corporation. If anything it would be great to see more competition in this market and area.

So please do not change current regulations!

Sincerely,

Lauren Scott
