OF AMERICAN BROADBAND COMMUNICATIONS, LLC AND
DIALOG TELECOM LLC**

STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 18-294

Comments Due: November 1, 2018
Reply Comments Due: November 8, 2018

By this Public Notice, the Wireline Competition Bureau seeks comment from interested parties on an application filed by the Estate of Patrick L. Eudy (Eudy Estate), Jane R. Eudy, and the Patrick L. Eudy Irrevocable Trust (Eudy Trust) (collectively, Applicants), pursuant to section 214 of the Communications Act of 1934, as amended, and sections 63.03-04 of the Commission's rules, requesting Commission approval to transfer control of American Broadband Communications, LLC (American Broadband) and its subsidiaries from the Eudy Estate to Ms. Eudy, and Dialog Telecom LLC (Dialog) and its subsidiaries from the Eudy Estate to the Eudy Trust.¹

American Broadband, a Delaware limited liability and holding company, does not provide telecommunications services itself but wholly owns American Broadband Holding Company (ABHC), a Delaware corporation and intermediate holding company. ABHC wholly owns the following entities that hold interests in various telecommunications providers: HunTel, Inc. (HunTel), a North Carolina corporation;² RBJ Corp. (RBJ), a Missouri corporation;³ TelAlaska,

¹ See 47 U.S.C. § 214; 47 CFR §§ 63.03-04. Applicants also filed applications for the transfer of authorizations associated with international and wireless services. On October 5, 2018, Applicants filed a supplement to their domestic section 214 application. Any action on the domestic section 214 application is without prejudice to Commission action on other related, pending applications.

² Applicants state that HunTel wholly owns the following incumbent local exchange carriers (LECs): Arlington Telephone Company, serving in and around Arlington, Nebraska; The Blair Telephone Company, serving in and around Blair, Kennard, and Fort Calhoun, Nebraska; Eastern Nebraska Telephone Company, serving in and around Walthill, Macy, Winnebago, Rosalie, Osmond, Meadow Grove, Carroll, and Belden, Nebraska; and Rock County Telephone Company, serving in and around Bassett and Newport, Nebraska. HunTel also wholly owns HunTel Cablevision, Inc., serving as a competitive LEC in and around Lyons, Oakland, and Tekamah, Nebraska and as interexchange reseller serving throughout the Nebraska areas served by HunTel's subsidiaries.

³ Applicants state that RBJ wholly owns the following Missouri corporations: Holway Telephone Company,

Incorporated (TAI), an Alaska corporation;⁴ and Cameron Communications, LLC (Cameron Communications), a Louisiana limited liability company.⁵

Dialog, a North Carolina limited liability and holding company, wholly owns the following competitive LECs: Dialog Telecommunications, Inc., serving Kentucky and North Carolina; Acorn Telephone LLC, also serving Kentucky; and AMA Communications LLC, serving Texas.

Pursuant to the terms of the proposed transaction, the Estate of Patrick L. Eudy, which currently wholly owns American Broadband and a controlling share (68.63 percent) of Dialog, will be distributed to Ms. Eudy, who currently serves as the Chairwoman of the Boards of Directors and the Chief Executive Officer of American Broadband and its subsidiaries, and as a Senior Executive of Dialog and its subsidiaries.⁶ Applicants state that upon consummation of the proposed transaction, Ms. Eudy will remain in these same roles and that the only change in the management of American Broadband or of Dialog and their subsidiaries will be a change in the form of Ms. Eudy's beneficial ownership of the equity of American Broadband and Dialog. After consummation of the proposed transaction, Ms. Eudy will hold all the equity of American Broadband individually and will hold 68.63 percent of the equity of Dialog as sole Trustee of the Eudy Trust. Applicants assert the proposed transaction is entitled to presumptive streamlined treatment under section 63.03(b)(1)(ii) of the Commission's rules and that a grant of the application will serve the public interest, convenience, and necessity.⁷
