*“ It’s really neat that  
I can participate in a  
conference call online! ”*

## Did you know Relay NC offers Relay Conference Captioning (RCC)?

RCC is an Internet-based technology that allows you to participate in any conference call by reading real-time captioning online at a remote location.

- Can be used on any computer with Internet access.
- Can receive a text transcript of the conversation for your records.
- For more information, go to [relaync.com/rcc](http://relaync.com/rcc)

I CAN’T UNDERSTAND YOU.”?**

# Speech-to-Speech

## Talk with Ease

**SOLUTION:** Relay NC Speech-to-Speech (NC-STS) is a free service for people with a speech disability, or who use a voice synthesizer. This service allows them to use their own voice on the phone. A specially trained STS operator simply listens to the conversation and repeats their message, whenever needed.

Dial **711** or **877-735-8261** to connect with a relay operator. Relay NC’s unparalleled equipment and exceptional Relay Operator training ensure that STS user will be heard and understood.

**Stay connected with family, co-workers, and friends. It has never been easier with Relay NC STS.**
