Chairman Tom Wheeler
Federal Communications Commission

Washington, DC 20554

In the matter of: Nominations for Universal Service Administrative Company Board of Directors;
 CC Docket Nos. 97-21 and 96-45.

Dear Chairman Wheeler:

On behalf of the State E-rate Coordinators' Alliance (SECA), we write to provide our support for the American Library Association's (ALA) renomination of Robert Bocher to serve as the library representative, and EdLiNC's renomination of Dr. Daniel Domenech to serve as one of the three school representatives on the USAC Board of Directors.

Mr. Bocher has been involved with the E-rate program since its inception. His knowledge of the program not only is of great benefit to Wisconsin's libraries and schools but his position as a Fellow in ALA's Office for Information Technology Policy benefits libraries and schools nationwide.

Dr. Domenech is a leader in the education community and has represented schools' interests with distinction on the USAC board since 2012.

Both gentlemen have been active members of the board and SECA believes their reappointment would best serve the E-rate stakeholder community during these years where the program continues to modernize and excel.

Thank you very much for considering our request.
