Application of AT&T Corp
d/b/a Lucky Dog Phone Co.

To AT&T : FCC Mailroom 5-23-18

I'm writing about the letter
dated 5-8-18 concerning the Lucky
Dog Long distance number I use.
It says the Company is ending
the 10-10-345 service after 6-29-18.

Also if a person can't find a new
company, to write you back.

I can't say for sure if there is int
anything as good at this date. I
don't have a computer or new age
phone, so am Limited in searching
for a new company. I do know
of someone that could help me,

but thought I might Learn of some-
thing from you. I'm considered Low
income and always like to Look at
savings when I buy/pay for services.

Thank you for considering me.
