**Re: Notice of Proposed Rulemaking, WC Docket No. 17-192, CC Docket No. 95-155**

Dear Ms. Dortch,

On February 2<sup>nd</sup>, 2018 I met with Heather Hendrickson, Ann Stevens, William Andrle, Michelle Sclater, Matthew Collins, Eric Ralph and Octavian Carare of the Wireline Competition Bureau of the FCC to discuss the unintended consequences of removing the regulations against hoarding and brokering as proposed in the Notice of Proposed Rulemaking, WC Docket No. 17-192.

It was very productive in which we discussed how the 833 Auction would affect the vanity number industry and how to reduce the toll free exhaust rate, and to more efficiently transition to a more modern open secondary market.

Very sincerely,
