)	Docket No. _____
Must-Carry Complaint Regarding)	
Television Station KLEI-TV,)	
Kailua-Kona, Hawaii)	

To: Office of the Secretary
Attn: Chief, Media Bureau

RENEWAL OF MUST CARRY COMPLAINT¹

Mauna Kea Broadcasting Company, Inc. (“Mauna Kea”), pursuant to Section 614 of the Communications Act of 1934, as amended, and Sections 76.7 and 76.61 of the Commission’s Rules, hereby renews its Complaint requesting that the Commission order Oceanic Time Warner Cable LLC and/or its subsidiaries and affiliates (“Spectrum”) to commence carriage – immediately – of commercial television station KLEI-TV, licensed to serve Kailua-Kona, Hawaii (the “Station”) on each and every one of the cable systems (“Systems”) which: (a) are operated by Spectrum and (b) serve communities located within the Honolulu, Hawaii Designated Market Area (the “DMA”), including without limitation systems serving Oahu, Maui, Molokai, Lanai, Hilo and Kauai. Such mandatory carriage is in accordance with the Commission’s must carry rules and policies and with the Commission’s Memorandum Opinion and Order, *Mauna Kea Broadcasting Company*, 27 FCC Rcd 13188 (Policy Div. 2012) (“*Carriage Order*”).

¹ The instant pleading was original filed on paper with the Commission on February 2, 2018. At the direction of a member of the Commission’s staff, it is being re-filed electronically. Because a new case number and docket number are to be assigned, the previous numbers have been removed from the caption. The substance of the pleading has not been changed.

The Station's right to carriage throughout the State of Hawaii has been unequivocally established in the *Carriage Order*. The only factor relieving Spectrum of its carriage obligations vis-à-vis the Station was the fact that, in 2012, the Station did not deliver a good quality signal to Spectrum's Honolulu headend, from which, Mauna Kea understands, Spectrum feeds all of its systems throughout Hawaii. That problem has since been eliminated, as Mauna Kea expressly notified Spectrum by letter dated September 28, 2017. *See* Attachment A. The Station's signal is now carried on a multicast subchannel of Station KKAI, Kailua, Hawaii, which delivers a good quality over-the-air signal to Spectrum's Honolulu headend. Since the *Carriage Order* mandated that Spectrum commence carriage of the Station within 60 days of delivery of a good quality KLEI-TV signal to Spectrum's headend, the Station was entitled to carriage no later than November 27, 2017, *i.e.*, within 60 days of Mauna Kea's notice to Spectrum.² Spectrum failed to initiate carriage by that date, and has failed to do so continuously since then.

In its September 28, 2017 notification letter to Spectrum, Mauna Kea also advised Spectrum that Mauna Kea was electing mandatory carriage of KLEI-TV for the next three-year carriage cycle commencing as of January 1, 2018. Spectrum has failed to honor that election, in plain violation of both the Commission's must carry rules and the *Carriage Order*.

Mauna Kea is, simultaneously herewith, sending Spectrum a letter demanding carriage pursuant to Section 76.61(a)(1) of the Commission's rules. Mauna Kea understands that, ordinarily, Spectrum would have 30 days (pursuant to Section 76.61(a)(2)) within which to respond. In the circumstances presented here, though, Mauna Kea submits that *immediate* intervention by the Commission is warranted. Spectrum has, after all, been subject to a specific order to carry KLEI-TV

² Carriage of KLEI-TV will not cause the Systems to exceed the maximum number of signals a cable system is required to carry under the FCC's must carry rules. KLEI-TV does not and will not share a broadcast network affiliation with, or substantially duplicate the programming of, any other local commercial broadcast television station in the DMA.

for more than five years already. Mauna Kea has satisfied the one condition to carriage set out in the 2012 *Carriage Order*.

Spectrum should not be permitted to shirk its well-established carriage obligations by forcing Mauna Kea into a re-run of procedural delays which Mauna Kea already suffered through more than five years ago. Further delay will merely reward Spectrum for its continuing unlawful failure to meet the rudimentary requirements of the Communications Act and the Commission's Rules. Rather, the Commission should act now to enforce the longstanding *Carriage Order* by requiring Spectrum to immediately commence carriage of KLEI-TV on all of Spectrum's systems throughout Hawaii in the same manner in which those systems carry other local over-the-air broadcast signals.

Equal treatment for all similarly-situated over-the-air stations is important because of the disparate treatment that Spectrum has historically accorded the Station. While Spectrum has carried KLEI-TV on its Kailua-Kona system, it has (as the Commission is aware) refused carriage on its other Hawaii systems because the Station supposedly did not provide Spectrum a good quality signal. But Mauna Kea offered to make arrangements through Hawaii Telecomm to deliver the station's signal to the Spectrum headend by fiber – as other stations reportedly do – and Spectrum declined, insisting instead that any such fiber connection would have to be arranged through Spectrum's own facilities, subject to ridiculously onerous terms that made it practically unfeasible. If Spectrum does not impose similarly onerous terms on other must-carry stations and other program suppliers, it should be barred from doing so with the Station.

Additionally, the means by which Spectrum has historically delivered must-carry signals to its subscribers have, in Mauna Kea's experience, been curiously disparate, and recent announcements by Spectrum suggest that that may continue. In the past, Spectrum has enabled viewing of some, but not all, local television signals without the need for a set-top box; subscribers

not needing a set-top box could access those channels simply by plugging the cable line directly into their television receivers. KLEI-TV has not been among the stations accessible without a set-up box.

In 2017, Spectrum announced that it was planning to convert its service to “a 100% digital format”. *See* Attachment B. Subscribers were advised that, because of that conversion, they would be required to acquire and install a “Spectrum Receiver (or set-top-box) on each TV” in their homes by November 15, 2017, or they “will lose the ability to view a number of channels”. *Id.* The channels that would no longer be available included the multiple local television stations that have, according to Spectrum’s notice, historically been available to subscribers who simply plug the cable line into the back of their receivers. According to one Spectrum subscriber on Oahu, however, as of January 30, 2018, Spectrum programming is still fully accessible by running the cable line directly into the television.³ *See* Attachment A.

Since the cost of each Spectrum Receiver is expected to be approximately \$10 per unit, and a separate Receiver is required for each separate television set, the additional cost to subscribers is likely to be considerable.⁴ Obviously, if any local television stations may, notwithstanding Spectrum’s promotional materials, be accessed by plugging the cable line directly into the television without any intervening Spectrum Receivers (or other equivalent devices), such access would be competitively advantageous to those stations (since such access would come without the added monthly cost of one – or, more likely, multiple – Spectrum Receivers). Reliance on disparate means of delivering local must-carry stations to cable subscribers is contrary to the overriding goal of the statutory must-carry system, *i.e.*, to provide all local television stations a level playing field through

³ A later notice from Spectrum set the date by which Spectrum Receivers would need to be installed as February 13, 2018. *See* Attachment C.

⁴ A special, temporary offer from Spectrum will, for a limited time, make a single Spectrum Receiver available for free for one year.

which to reach potential viewers. Accordingly, Mauna Kea strongly urges the Commission to take appropriate steps not only to require *immediate* carriage of KLEI-TV on all Spectrum systems throughout the State of Hawaii (as contemplated in the 2012 *Carriage Order*), but also to require that KLEI-TV's signal be delivered to Spectrum subscribers in the same manner as all other must-carry stations.

CONCLUSION

Mauna Kea is clearly entitled to mandatory carriage of the signal of KLEI-TV on cable systems operated by Spectrum in the Honolulu DMA. Mauna Kea has properly elected mandatory carriage – twice – and has notified Spectrum that the one condition to carriage specified in the *Carriage Order* has been met. Spectrum has not provided any response to Mauna Kea since its receipt of Mauna Kea's notification on September 30, 2017, forcing Mauna Kea to renew its 2012 Complaint (and initiate a separate complaint process for 2018). For the reasons set forth herein, Mauna Kea hereby respectfully requests that the Commission order Spectrum to immediately

commence carriage of the Station in accordance with the must carry rules and policies and the *Carriage Order* and consistently with its carriage of other over-the-air broadcast stations in the Hawaii DMA.

Respectfully submitted,

MAUNA KEA BROADCASTING COMPANY

Must-Carry Complaint Regarding)	
Television Station KLEI(DT),)	
Kailua Kona, Hawaii)	
To: Office of the Secretary		
Attn: Chief, Media Bureau		

DECLARATION OF DR. CHRISTOPHER RACINE

1. My name is Dr. Christopher Racine. I am President of Mauna Kea Broadcasting Company, Inc. and involved in the day-to-day operations of KLEI-TV.

2. I have reviewed the foregoing Renewal of Must-Carry Complaint and I declare, under penalty of perjury, that all factual matters set forth therein are true to the best of my knowledge and belief. To the best of my knowledge, information, and belief formed after reasonable inquiry, the foregoing Renewal of Must-Carry Complaint is well grounded in fact; warranted by existing law or a good faith argument for the extension, modification or reversal of existing law; and is not interposed for any improper purpose.

3. On September 28, 2017, I sent the attached letter to Oceanic Time Warner Cable LLC d/b/a "Spectrum" ("Spectrum"), advising it that KLEI-TV delivers a good quality over-the-air signal to Spectrum's Honolulu headend through carriage on a multicast channel of Station KKAI. In that letter I also advised Spectrum that Mauna Kea was electing mandatory carriage of the signal of KLEI-TV on all cable systems operated by Spectrum in the Honolulu DMA during the election cycle expiring December 31, 2020.

4. I have not received any response from Spectrum to the letter advising that KLEI-TV provides a good quality over-the-air signal to Spectrum's headend and electing carriage for the next triennial must-carry election period.

5. I am a subscriber to the Spectrum cable system in Honolulu, on Oahu. As of January 30, I am able to access Spectrum's programming simply by plugging the cable line into the back of my television receivers, without the need for any intervening set-top box or similar device.

Dr. Christopher Racine
President
Mauna Kea Broadcasting Company, Inc.

Attention: Greg Fujimoto, Sr. Vice-President

Re: KLEI-TV, Kailua-Kona, Hawaii; Mandatory Carriage Election

Dear Sir or Madam:

Pursuant to Section 614 of the Communications Act of 1934, as amended, and Section 76.64 of the rules of the Federal Communications Commission ("FCC"), this will inform you that Mauna Kea Broadcasting Company, Inc., the licensee of Television Station KLEI-TV, Kailua-Kona, Hawaii (the "Station") hereby elects mandatory carriage of the Station's television signal pursuant to Section 76.56(b) on all cable systems operated by Charter Communications, Inc. or its subsidiaries and affiliates serving the Honolulu Designated Market Area ("DMA") for the election period starting January 1, 2018 and ending December 31, 2020. The Station is licensed to Kailua-Kona, Hawaii, and is assigned to the Honolulu DMA. The Station therefore is entitled to elect mandatory carriage on all of your system(s) under the rules of the FCC and to have its programming delivered to all subscribers to your systems in the DMA.

Pursuant to Section 76.57(a) of FCC's rules, KLEI-TV elects to be carried on the Station's Virtual Channel; channel 6. The Station's programming is available over-the-air at your Kailua-Kona headend on RF and PSIP channel 25.1 The Station's programming is available over-the-air at your Honolulu headend on RF and PSIP channel 15.2

The Station's contact person and address for purposes of receiving official correspondence is as follows:

Mauna Kea Broadcasting Company, Inc.
Post Office Box 8969
Honolulu, HI 96830
Attention: Dr. Christopher J. Racine, President

Please contact the undersigned if you should have any questions concerning this matter.

Sincerely,

Dr. Christopher J. Racine
President

OCEANIC TIME WARNER CABLE IS NOW

ACTION REQUIRED
Avoid disruption to your TV service
 See important information below.

Dear Spectrum Customer,

Spectrum, formerly known as Oceanic Time Warner Cable, is committed to providing you with the very best products, at the very best value.

To deliver even more value to you, in 2018 we will be converting your TV service to a 100% digital format. In order to prepare for this upgrade, **you will be required to have digital equipment, like a Spectrum Receiver (or set-top-box), on each TV in your home by November 15, 2017 or you will lose the ability to view a number of channels.**

If you do not currently have a set-top-box or other digital equipment, you will be supplied with one Spectrum Receiver at no cost to you.* Call us at 643-9933. We'll ship digital equipment directly to your home at no additional cost. Or you can pick one up from a nearby Spectrum Store (see below for the store locations near you).

The conversion to a 100% digital format will bring you many exciting enhancements to your TV service. It will allow us to deliver you an increase in HD channels as well as improve all TV channels with even better picture and sound quality. In addition, we will be able to offer you a more expansive lineup of channels, and provide exciting new products and services for you to enjoy—including access to thousands of FREE On Demand choices.

What will happen to current TV channels?

The Standard Cable channels in your area will only be available in a digital format as of **November 15, 2017**. Without digital equipment on each TV in your home on that date, you will no longer be able to view channels you were able to previously. **See the box to the right for important information on the specific channels that will be impacted.**

What should you do?

In order to avoid any disruptions in your service and to properly prepare for all of the benefits of 100% digital service, you'll need to contact us to order a Spectrum Receiver for each TV in your home.

NOTE: If you have an existing Oceanic Time Warner Cable set-top-box, Spectrum Receiver, digital transport adapter (DTA) or retail device with a CableCARD on each TV you are watching, you should be unaffected by this change.

Otherwise, to order your Spectrum Receiver(s), please call 643-9933 and a Spectrum Customer Service Representative will arrange to ship a self-installation kit directly to your home at no additional cost. Professional installation is also available for a fee—ask the representative for details.

Thank you for being a Spectrum customer.

Sincerely,

R, Adam Ray

IMPORTANT CHANNEL INFORMATION

Beginning on or after **November 15, 2017**, if you currently connect your cable line directly into the back of your TV, you will lose the ability to view the channels listed below.

In order to continue to be able to view these channels, you can call us at **643-9933**. We'll ship digital equipment directly to your home at no additional cost. Or you can pick one up from a nearby Spectrum Store.

Attachment C

Your TV service is going 100% digital!

See important information below.

Dear Customer,

Thank you for being a Spectrum customer. We are proud to be America's fastest-growing TV, Internet and Voice provider. Our employees are committed to delivering best-in-class products and customer service, all at a great price. To deliver even more value to you, we are converting your TV service to a 100% digital format.

You will be required to have a digital receiver on each TV in your home by February 13, 2018. To help with this transition, we will supply you with one Spectrum Receiver at no cost to you for up to the term of the current agreement between Spectrum and your apartment complex and one additional Spectrum Receiver at no cost for 12 months*. If you have recently upgraded your equipment no action is required.

What is happening to your service?

Spectrum is upgrading its entire channel lineup to a digital-only signal. This change will allow us to deliver you a substantial increase in HD channels as well as improve all TV channels with even better picture and sound quality. In addition, we will be able to offer you a more expansive lineup of channels, increase your Internet speed, and provide exciting new products and services for you to enjoy—including access to thousands of FREE On Demand choices.

Who will be affected?

Any customer who subscribes to TV service and connects their cable line directly into the back of their TV will lose picture on all channels.**

What will happen to your current TV channels?

Some channels will be added, other current channels will be moving to new locations and some channels will be removed, consistent with your level of service.

For your convenience, please find your new channel lineup on the following pages. It outlines the changes and will serve as a handy reference guide so you can easily find all of your new channels.

If you would like to add channels, we offer great packages at great prices. We will work with you to find the TV package that best fits your needs.

What should you do?

If you have an existing set-top-box, digital transport adapter (DTA), or retail device with a CableCARD on each TV you are watching, you should be unaffected by this change. If you connect your cable line directly into the back of your TV, you will need to order a self-installation kit. You'll find all the equipment your TVs need to be 100% digital-ready, plus simple step-by-step instructions so you can easily make the upgrade in minutes - no technician necessary.

See the important notice on the right to learn how to order your self-installation kit today.

IMPORTANT NOTICE

How to request a self-installation kit:

1. Visit Spectrum.com/digitalnow today to easily order — it should only take a few minutes (see back for more details)
2. Call 808-643-2727 to speak with a Spectrum Representative
3. Go to your nearest Spectrum Store:

On February 13, 2018, Charter will start encrypting the Basic Service Tier offering on your cable system. If you have a set-top box, digital transport adapter (DTA), or a retail CableCARD device connected to each of your TVs, you will be unaffected by this change. However, if you are currently receiving the Basic Service Tier offering on any TV without digital equipment, you will lose the ability to view any channels on that TV. If you are affected, you should contact Charter to arrange for the equipment you need to continue receiving your services. In such case, you are entitled to receive equipment at no additional charge or service fee for a limited period of time. The number and type of devices you are entitled to receive and for how long will vary depending on your situation. If you are a Basic Service Tier offering customer and receive the service on your TV without digital equipment, Charter will provide you up to two devices for two years (five years if you also receive Medicaid). If you subscribe to a higher level of service and receive the Basic Service Tier offering on a secondary TV without digital equipment, Charter will provide you one device for one year. You can learn more about this equipment offer and eligibility at Spectrum.com/digitalnow or by calling 808-643-2727. To qualify for any equipment at no additional charge or service fee, you must request the equipment between February 6, 2018 and June 13, 2018 and satisfy all other eligibility requirements. TV: Programming may vary. Channels, Tiers and Packaging subject to change. Services not available in all areas. Digital set-top box or CableCARD required to view programming channels. Digital set-top box required to view PPV and On Demand programming (where available). HD capable equipment required to view HD programming (where available). All programming may not be available to CableCARD customers. All service levels may contain channels with some R-rated programming, which can be blocked using the Parental Control feature on your on-screen program guide. Account credentials may be required to stream some TV content online. INTERNET: Available Internet speeds may vary by address. VOICE: Unlimited calling includes calls within the U.S., Canada, Mexico, Puerto Rico, Guam, the Virgin Islands and more. Taxes and fees included in price. ©2017 Charter Communications.
