RE: WC Docket No. 17-342 – Second Supplement to Advanced Telecom Solutions, LLC’s Application for Authorization to Obtain Number Resources

Dear Ms. Dortch:

Advanced Telecom Solutions, LLC (“ATS”) hereby submits this Second Supplement to its Application for Authorization to Obtain Number Resources (“Application”), which was filed with the Federal Communications Commission (“Commission”) on November 1, 2017. This Second Supplement contains additional information to support ATS’s Application, as requested by Commission Staff. The enclosed agreement demonstrates proof of outbound traffic capability. A redacted version of the agreement is being submitted via ECFS and a hard copy of the confidential agreement is being submitted via overnight courier.

For any questions regarding this Supplement or ATS’s Application please contact Roman Shpount at (240) 847-0500.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "R Shpount", is written over a horizontal line.
