**Important Confidentiality Notice:** This document is for the sole use of the intended recipient and contains confidential, proprietary and commercially sensitive information that is not customarily disclosed to the public or within the industry. The document reveals details about the service provider's provision of 911 services by region and associated location services, 911 call and location performance metrics, business practices and regulatory compliance, the disclosure of which would cause great harm to the service provider. The document is not part of the public record in any jurisdiction, and the service provider derives economic value from keeping this detailed proprietary information nonpublic. Competitors could use the information to challenge the service provider's 911 service in the highly competitive marketplace for wireless services. Any unauthorized review, use, disclosure, distribution or circulation is expressly and strictly prohibited. If you are not the intended recipient of this document, please contact the service provider identified below and permanently destroy all copies of this document.
