Dear General Counsel and Office of General Counsel:

1. I request that you issue a statement that causes a suspension of any actions and any due dates for actions with regard to any proceedings involving FCC 18-168 until the U.S. Circuit Court for the DC Circuit renders a dispositive decision, that becomes final, in the two cases I filed in that court challenging aspects of FCC 18-168. As you know, your Office of General Counsel is active in those two cases. The US DOJ has entered an appearance but has not yet (from any document served on me) submitted any position. In addition, as you know, in these two Court cases I have given reasons (that your Office for the FCC informed the Court that it takes no position on) that due to current health and other reasons, I need an extension of time, and the same applies to proceedings before the FCC regarding FCC 18-168 but more so since my filings before the FCC regarding FCC 18-168 are more complex and extensive than those in these related Court cases, as is FCC 18-168 itself.

2. Also, please inform me of the persons at the FCC that are responsible for said proceedings involving FCC 18-168 before the FCC, and if any other FCC staff person has any authority to submit any position for the FCC in the proceedings.

No parties timely sought reconsideration of any aspect of, or supported any aspect of, FCC 18-168 except for the undersigned parties. Thus, I understand that no parties have established interest and legal standing to do so but the undersigned parties. Further, I understand that your position is that the matters of docket 11-71 were completed and terminated. Accordingly, this is sent only to the General Counsel and Office of General Counsel. However, I will file a copy of this in docket 11-71 by ECFS which your Office earlier informed me is service on persons who are or believe they are parties in the docket, whether it was lawfully terminated or not, or reopened by FCC 18-168 or not.

`` Respectfully submitted,

Warren Havens,  
Individually
