Re: Application of Rivada Networks, LLC for Certification as an SAS Administrator and an Environmental Sensing Capability Operator (GN Docket 15-319)

Ladies and Gentlemen:

Please be advised that Rivada Networks, LLC hereby withdraws its application seeking approval to operate as an SAS Administrator in the 3550-3700 MHz Band (3.5 GHz Band) and an Environmental Sensing Capability Operator. (GN Docket 15-319).

Please advise if you require any additional information in this connection.

Very truly yours,

RIVADA NETWORKS, LLC
