**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need local competition to keep internet prices low and keep the quality of service high. I urge the FCC to reconsider and support local carriers. Without local competition big names can do whatever they like including loss of quality, and loss of good customer service . Keep competition thriving !!!
