

**Statement Regarding the
Customer Proprietary Network Information (CPNI) Procedures of
TeleSpan Communications, LLC**

This statement explains how the procedures of TeleSpan Communications, LLC. (“TeleSpan”) ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission’s rules, 47 C.F.R. § 64.2001 *et seq.*

USE OF CPNI – SECTION 64.2005

- TeleSpan does not use, disclose or permit access to CPNI for the purpose of marketing the products or services of itself, its affiliates or any third parties. As such, TeleSpan does not solicit the approval of customers to use CPNI.
- TeleSpan does not use, disclose or permit access to CPNI to identify or track customers that call competing service providers.

APPROVAL REQUIRED FOR USE OF CPNI – SECTION 64.2007

- TeleSpan does not use, disclose or permit access to CPNI for the purpose of marketing the products or services of itself, its affiliates or any third parties, or for any purpose that would require TeleSpan to solicit customer approval before doing so. As such, TeleSpan does not solicit the approval of customers for use of CPNI.
- If TeleSpan subsequently chooses to take any action for which customer approval is required, the company will implement policies and practices for seeking opt-out or opt-in approval from its customers in accordance with section 64.2001 *et seq.* of the Commission’s rules, 47 C.F.R. § 64.2001 *et seq.*, and obtain approval from its customers pursuant to these policies and practices before taking such action.

NOTICE REQUIRED FOR USE OF CPNI – SECTION 64.2008

- TeleSpan does not solicit the approval of customers for use of CPNI, because the company does not use, disclose or permit access to CPNI for any purpose that would require the company to solicit such approval.
- If TeleSpan subsequently chooses to take any action for which the company must solicit the approval of its customers for the use CPNI, the company will provide notice to its customers pursuant to, and in accordance with, the requirements of section 65.2008 of the Commission’s rules. 47 C.F.R. § 64.2008.

SAFEGUARDS REQUIRED FOR USE OF CPNI – SECTION 64.2009

- Because the company does not use, disclose or permit access to CPNI for any purpose that would require the company to solicit the approval of customers for

use of CPNI, TeleSpan does not solicit the approval of such customers. If TeleSpan subsequently chooses to take any action for which the company must solicit the approval of its customers for the use CPNI, the company will implement a system by which the status of the customer's CPNI approval can be clearly established prior to the use of CPNI.

- TeleSpan has trained its personnel as to when they are and are not authorized to use CPNI, and the company has an established, express disciplinary process that can result in disciplinary actions up to, and including, termination of employment.
- TeleSpan does not use, disclose or permit access to CPNI for the purpose of marketing the products or services of itself, its affiliates or any third parties, or for any purpose that would require TeleSpan to solicit customer approval before doing so. If TeleSpan subsequently chooses to use, disclose or permit access to CPNI for the purpose of marketing the products or services of itself, its affiliates or any third parties, the company will maintain a record of (1) its own and its affiliates' sales and marketing campaigns that use its customers' CPNI, and (2) all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI. The record will include a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as part of the campaign. TeleSpan will retain the record for a minimum of one year.
- TeleSpan has established a supervisory review process regarding its compliance with section 64.2001 *et seq.* of the Commission's rules. 47 C.F.R. § 64.2001 *et seq.* for outbound marketing situations. TeleSpan also maintains records of its compliance for a minimum period of one year. TeleSpan sales and marketing personnel must obtain supervisory approval of any proposed outbound marketing request for customer approval.
- An officer of TeleSpan signs and files with the Commission a compliance certificate on an annual basis. The officer states in the certification that he or she has personal knowledge that the company has established operating procedures that are adequate to ensure compliance with section 64.2001 *et seq.* of the Commission's rules. 47 C.F.R. § 64.2001 *et seq.* TeleSpan also provides a statement accompanying the certificate explaining how its operating procedures ensure that it is in compliance with section 64.2001 *et seq.* of the Commission's rules. 47 C.F.R. § 64.2001 *et seq.* In addition, TeleSpan includes an explanation of any actions taken against data brokers and a summary of all customer complaints received in the past year concerning the unauthorized release of CPNI. The company makes this filing annually with the Enforcement Bureau on or before March 1 in EB Docket No. 06-36 for data pertaining to the previous calendar year.
- TeleSpan does not solicit opt-out approval from its customers for use of CPNI. If TeleSpan subsequently chooses to take any action for which the company must solicit the opt-out approval of its customers for the use CPNI, the company will

provide written notice within five business days to the Commission of any instance where the opt-out mechanisms do not work properly to such a degree that customers' inability to opt-out is more than an anomaly. The notice will be made pursuant to, and in accordance with, section 64.2009(f) of the Commission's rules, 47 C.F.R. § 64.2009(f).

SAFEGUARDS ON THE DISCLOSURE OF CPNI – SECTION 64.2010

- TeleSpan has implemented reasonable measures to discover and protect against attempts to gain unauthorized access to CPNI.
- TeleSpan does not disclose call detail information over the telephone during customer-initiated telephone contact.
- TeleSpan does not provide online access to CPNI.
- TeleSpan does not disclose CPNI at its office locations.
- TeleSpan does not establish passwords for its customers. If TeleSpan subsequently chooses to establish passwords for its customers, it will do so in accordance with the requirements of section 64.2010 of the Commission's rules, 47 C.F.R. § 64.2010.
- TeleSpan notifies customers immediately whenever an address of record is created or changed. The notification is made through a carrier-originated voicemail to the telephone number of record. The notification does not reveal the changed information, and it is not sent to the new account information.
- TeleSpan does not bind itself contractually to authentication regimes other than those described in section 64.2010 of the Commission's rules, 47 C.F.R. § 64.2010, for services the company provides to business customers that have both a dedicated account representative.

NOTIFICATION OF CPNI SECURITY BREACHES – SECTION 64.2011

- TeleSpan will notify law enforcement of a breach of its customers' CPNI as provided in section 64.2011 of the Commission's rules, 47 C.F.R. § 64.2011.
- TeleSpan will not notify its customers or disclose the breach publicly, whether voluntarily or under state or local law or these rules, until the company has completed the process of notifying law enforcement pursuant to paragraph (b) of section 64.2011 of the Commission's rules, 47 C.F.R. § 64.2011(b).
- After TeleSpan has completed the process of notifying law enforcement pursuant to paragraph (b) of section 64.2011 of the Commission's rules, 47 C.F.R. § 64.2011(b), it will notify its customers of a breach of those customers' CPNI.

- TeleSpan will maintain a record of any breaches discovered, notifications made to the USSS and the FBI pursuant to paragraph (b) of section 64.2011 of the Commission's rules, 47 C.F.R. § 64.2011(b), and notifications made to customers. The record will include, if available, dates of discovery and notification, a detailed description of the CPNI that was the subject of the breach, and the circumstances of the breach. TeleSpan will retain the record for a minimum of 2 years.
