### Uninterruptable Power Supply (UPS) Replacement

The Des Plaines Public Library is looking to replace their uninterruptable power supply (UPS) that is at the end of life. This UPS supplies power to all servers, our third and fourth floor switches, and the backbone switch to the first floor telecommunications room. The UPS will provide roughly one and a half hours of runtime in the event of a power outage. We also plan to replace the air removal system that cools the servers. The quotes listed include the price of the UPS, the air removal unit, installation, and freight costs.

Vendor Name	Quoted cost
GovConnection, Inc.	\$12,380.87
PCM-G	\$12,839.28
D & B Power and Associates	\$13,443.00
