

**FCC STATEMENT FOR CPNI PROCEDURES; Attachment 47 C.F.R. 64.2009(e) Docket 06-36**

2/25/2014

To Whom it may concern:

DigitalPath, Inc customers do not receive any paper bills showing long distance charges. Customers do not have access to existing phone numbers called or call history online or by stored mail. This data is stored in a CDR database and is not accessible to any employees with the exception of the Systems Administrators for purposes of phone system debugging.

The data is stored and archived on a nightly basis on an internal network server. This information is not released or sold to any outside parties. There is no procedure to release such information to said customer in any circumstances at this time.

Sincerely,

Brock Eastman

VP Engineering

DigitalPath, Inc
