CC Docket No 02-6

WC Docket No 06-122

The District would like to appeal for reconsideration of the denial of approval of the Districts USAC Form 471. The application number is 191029732 and is for USAC E-Rate Funding Year 2019.

There was miscommunication and my understanding was my assistant completed the entire process. I apologize for this error. The District would greatly appreciate your consideration on approval of our application for E-rate funding for the 2019-2020 school year.

The District relies heavily on these funds to provide internet access for our students and staff. Without access to E-Rate we will need to utilize dollars that could be used for educational enhancements across our District.

Thank you for taking the time to review this request.

Sincerely,

Sally Ost
Business Manager
