Administrative Law Judge

1 It appears that counsel for Brandt has a conflict with the date previously set for September 8, 1992. Since this case was considered under summary decision, which was denied (FCC 92M-560), it is appropriate to review alternative dates which will not substantially set back the hearing of this case.

2 Normandy may elect to appear personally or through local counsel if counsel is retained. Please notify the Judge's Legal Technician immediately of any intent to appear in person or through counsel.
