Re: Ex Parte Communication: WC Docket No. 09-197

Dear Ms. Dortch:

On October 23, 2019, Heather Kirby, a paralegal with my firm, the undersigned, and John Nakahata, both legal counsel to i-wireless, LLC's ("i-wireless" or the "Company") Access Wireless, Lifeline division, met with staff from the Wireline Competition Bureau. Federal Communications Commission staff present in the meeting were Trent Harkrader, Deputy Bureau Chief; Ryan Palmer, Chief, Telecommunications Access Policy Division ("TAPD"); Jodie Griffin, Deputy Chief TAPD; and Nicholas Page, Attorney Advisor, TAPD.

We discussed the points summarized in i-Wireless' clarification letter filed on July 16, 2013, which have been discussed with Staff many times in the intervening time period. We asked that the Bureau correct Exhibit B of the June 2012 ETC designation order for Florida to reflect the fact that i-wireless had applied for ETC designation in the BellSouth service area as well as the rest of Florida..

Respectfully submitted,

/s/ Lance Steinhart
