This is a **letter of appeal** being submitted by Merrimack Education Center, dba Addition
Networks, for a waiver and/or reversal of USAC's denial of Appeal # 118216 [Attachment:
MEC_RFCDL_WPS Appeal_118216]. We believe that both the applicant [Worcester Public
Schools] and Merrimack Education Center made every attempt to comply with the invoice
deadline rules; but were blocked from timely completing the invoice process because our request
for information on the required documentation was not clarified by the different reviewers
involved for over a year [Attachment: MEC_WPS Appeal_FRN #1699030901_History].

Merrimack Education Center is requesting your consideration in reversing the USAC decision to
deny the SPI invoice Form 474 # 2821457 and grant a waiver for an invoice extension, so we can
file an additional invoice and receive reimbursement for the NRC charge of $3,953.63.

Thank you for your assistance in this matter.

Respectfully Submitted,

Sharon Grover-Renda
