RAL Modification Request  
Pioneer Springs Community School  
BEN 16075709  
471 # 181040582  
FRN # 1899075832

We are currently under contract with AT&T for switched ethernet service at the monthly rate of \$1072.98. We filed 471 # 181040582 to go month-to-month with AT&T at that same rate when the contract expires on June 30, 2018. AT&T refused to go month-to-month and instead preferred to give us a new contract with a lower monthly rate of \$889.20.

We need to change the FRN amount in the 471 to reflect this new, lower monthly bill, and also change the contract referenced in the FRN.

We contacted USAC on how to make these changes in the 471. The case number assigned to this call is 235768. We were advised to create a RAL modification by uploading a document (this letter) explaining the changes we wanted to make, along with the new AT&T contract. Attached is the new AT&T contract.

Sincerely,
