**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a happy customer of Ideatek. They are a fabulous company and offer AFFORDABLE internet for everyone with great customer service. Those are the exact reasons why my family chose them. Do not let the monopolies take over. They offer terrible services and do not offer sufficient customer service to support their consumers. Having internet is essential now days to be successful in a career, school, etc. Raising prices will only hurt the consumer. Let there be competition!
