

Crown Correctional Telephone, Inc.

Description and Justification

WC Docket No. 12-375, Inmate Calling Services Mandatory Data Collection

1. Any areas stating “NCIC Providing Data” is not applicable to Crown Correctional Telephone, Inc. because NCIC Inmate Phone Services provides billing, processing, and all other back office services for Crown Correctional Telephone, Inc.; and will be reporting this data for the facilities listed.
2. All ICS Direct Costs are strictly associated with the cost of the broadband facilities required to connect the inmate telephone system via IP to NCIC’s Inmate Phone System. Crown Correctional Telephone, Inc. pays for the cost of the broadband facilities directly to the Internet Service Provider (ISP).
3. All other direct costs can’t be broken down by Inmate Calling Services as our business operates other line of businesses in our daily operations, and the costs are shared with these other lines of business.
