

Statement of CPNI Compliance Procedures
For Calendar Year 2017
ARKWEST COMMUNICATIONS, INC
Form 499 Filer ID 809688

This statement serves to explain how Arkwest Communications, Inc. is complying with Federal Communications Commission ("FCC") rules related to the privacy of customer information. The type of information for which customer privacy is protected by the FCC's rules is called "Customer Proprietary Network Information" ("CPNI"). The FCC's rules restricting telecommunication company use of CPNI are contained at Part 64, Subpart U of the FCC's rules (47 C.F.R. §§64.2000-2011).

All subsequent references to rule Sections refer to rules under Part 64, Subpart U unless indicated otherwise.

1. Identification of CPNI

The Company has established procedures and trained employees having access to, or occasion to use customer data, to identify what customer information is CPNI consistent with the definition of CPNI under Section 64.2003(g) and Section 222(f)(1) of the Communications Act of 1937 as amended (47 U.S.C. § 222(f)(1)).

2. Identification of Services Affected by CPNI Rules

The Company has established procedures and trained its employees to recognize the different types of telecommunications and non-telecommunications services that affect how the Company uses CPNI.

3. Identification of Permissible Uses of CPNI without Customer Authorization

The Company has established procedures and trained employees having access to, or occasion to use CPNI, to identify uses of CPNI not requiring customer authorization under Section 64.2005.

4. Identification of Uses of CPNI Requiring Customer Authorization

The Company has established procedures and trained employees having access to, or occasion to use CPNI, to identify uses of CPNI requiring customer authorization under Section 64.2007.

5. Customer Notification and Authorization Process

The Company does not use CPNI for marketing and thus, at this time, has not provided notices regarding the Opt-Out process. Prior to any planned use of CPNI for marketing purposes, the Company will initiate the notification and Opt-Out process. The Company does not provide CPNI to other parties, and thus has not used the opt-in approval process. The Company will train its employees regarding the need and/or responsibility for obtaining

customer authorization to use CPNI for marketing purposes, regarding the notice and regarding approval requirements under Section 64.2008.

6. Record of Customer CPNI Approval/Non-Approval

At such time as the Company may initiate the use of CPNI for marketing with the corresponding initiation of a notification and Opt-Out process, the Company will develop and utilize a system for maintaining readily accessible records as to whether and how a customer has responded to Opt-Out approval, as required by Section 64.2009(a).

7. Procedures Protecting Against Disclosure of CPNI

The Company has implemented procedures for compliance with Section 64.2010 including, but not limited to the following:

The authentication of customers prior to disclosing CPNI on customer-initiated telephone contracts or business offices visits.

The Company has implemented procedures to notify customers of account changes.

8. Actions Taken Against Data Brokers

Pursuant to Section 64.2009, the Company makes the following explanation of any actions taken against data brokers and a summary of all customer complaints received in the past year concerning the unauthorized release of CPNI:

Not applicable. The customer complaints regarding data-brokers were received in 2010.

9. Disciplinary Process

The Company has an express disciplinary process in place to address any unauthorized use of CPNI where the circumstances indicate authorization is required under Section 64.2009(b).

10. Supervisory Review Process for Outbound Marketing

At this time, the Company does not engage in any outbound marketing programs. If at any time the company determines that it will engage in outbound marketing, it will establish a supervisory review process regarding its compliance with the rules for outbound marketing situations as required in Section 64.2009(c) and (d). Prior to any outbound marketing effort, sales personnel will obtain supervisory approval of the proposed outbound marketing use. Any approval of CPNI use for outbound marketing efforts will be limited to CPNI not requiring prior customer authorization or, where prior customer authorization is required, the CPNI of customers having given the Company prior approval. The Company will maintain records of its compliance for a minimum of one year.

11. Procedures for Notifying Law Enforcement of CPNI Security Breaches

The Company has adopted procedures to comply with Section 64.2011 for notifying law enforcement of CPNI security breaches, together with related recordkeeping and deferred notification to customers.
