

Marcus Spectrum Holdings, LLC

February 28, 2018

Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

To Whom It May Concern:

Marcus Spectrum Holdings, LLC ("Marcus") provides two-way radio communication services to its customers. The two-way radio systems maintained by Marcus are not interconnected with the public telephone network. Marcus's operating procedures prohibit the tracking or recording of customer proprietary network information ("CPNI"). Marcus does not use, disclose, or permit access to CPNI for any reason. These operating procedures ensure compliance with the requirements set forth in section 64.2001 *et seq.* of the Federal Communication Commission's rules.

Respectfully submitted,

Michael Bula, CPA
