499 Filer ID 821616 / FRN 0004861498

Dear Ms. Dortch:

ComProducts, Inc. dba B & C Communications ("Company") hereby files this letter in lieu of a Customer Proprietary Network Information ("CPNI") certification statement. In an Order dated December 3, 2010 (DA 10-2282) ("December 2010 Order"), the Federal Communications Commission ("FCC") rescinded a Notice of Apparent Liability for Forfeiture ("NALF") against the Company stating that the FCC had determined the Company did not have an obligation to submit a CPNI certification for the year in question. The Company had responded to the NALF by explaining that it operated a two-way radio, dispatch-only system that was not interconnected with the public switched network.

Based on the December 2010 Order, the Company will not make any future CPNI-related filings unless the Company modifies its current service offerings to include those for which a CPNI certification is required or unless the Company is directed to file by the FCC. Should the Commission have any questions, please contact the undersigned or the Company's counsel, Elizabeth R. Sachs, at 703-584-8663 or lsachs@fcclaw.com.
