By this Public Notice, the Rural Broadband Auctions Task Force, Wireline Competition Bureau and Wireless Telecommunications Bureau identify 134 applicants in the Connect America Fund Phase II auction (Auction 903) that submitted the long-form application portion of the FCC Form 683 by the October 15, 2018 deadline. Winning bidders had the opportunity to assign some or all their winning bids to one or more related entities.¹ A spreadsheet, available on the Data tab of the Auction 903 web page, at www.fcc.gov/auction/903, identifies the long-form applicants and lists the number of census blocks and locations, as well as the support amounts, by state, associated with each applicant.² Where applicable, the winning bidder that assigned bids to the applicant is also identified. In addition, we list the eligible census blocks associated with each long-form applicant.³
