Dear Secretary Dortch:

On March 1, 2018, Kathy Garcia, Gabriel Garcia, and Kari Torres of CPS Energy, Rob Talley of Talley & Associates, and Sean Stokes of Baller Stokes & Lide, met with Amy Bender and Erin McGrath. The purpose of the meeting was to introduce CPS Energy and to discuss CPS Energy's pole attachment practices, as well as the Commission's pending proceedings in the above captioned dockets with respect to pole attachments and overlashing. A copy of CPS Energy's presentation is attached. CPS Energy's remarks were consistent with its filed comments and reply comments in the proceedings.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Sean A. Stokes
