RE: CPNI Compliance Certification for 2018

Dear Ms. Harold:

I am an officer of Kandy Communications LLC, a registered Interconnected VoIP service provider, and am writing to make you aware that for 2018, our company did not provide any interconnected VoIP services on its behalf for which certification of CPNI compliance certification would normally be due on March 1, 2019. Accordingly, after consultation with staff of the FCC Wireline Compliance Bureau, we are not required to file such certification for 2018.

Nevertheless, this letter is to acknowledge that we understand the obligation for filing such certification for futures years in which we provide such services, and we confirm that we will so certify as required.

If you have any questions in this regard, please contact our counsel, Charles Raphun at (919) 457-9580.

Sincerely,

Rick Marmurek
Treasurer and Secretary
