Re: *Accelerating Wireline Broadband Deployment by Removing Barriers to Infrastructure Investment*, WC Docket No. 17-84

Dear Ms. Dortch:

On March 1, John Burchett of Google Fiber Inc. and Julie Veach and I, both of Harris, Wiltshire & Grannis LLP, met with Jamie Susskind, of Commissioner Carr's office, Claude Aiken, of Commissioner Clyburn's office, and Amy Bender, of Commissioner O'Rielly's office, to discuss the record in the above-captioned proceeding. Google Fiber also provided an update on the BDAC report recommending one-touch make-ready.

Google Fiber appreciates the opportunity to discuss its position. Please do not hesitate to contact me with any questions.

Sincerely,

Kristine Laudadio Devine  
*Counsel to Google Fiber Inc.*
