FUNDING YEAR 2018: 7/1/2018 - 6/30/2019

Billed Entity Number: 17012502
FCC Form 471 Application Number: 181015686
FCC Form 486 Due Date: 11/12/2018

Based on your FCDL Date and the Service Start Date indicated in the funding requests on your FCC Form 471, **you may have missed the deadline for certifying your FCC Form 486, Receipt of Service Confirmation Form.** You must file an FCC Form 486 no later than 120 days after the Service Start Date or 120 days after the date of the FCDL, whichever is later.

USAC offers a 15-day grace period from the date of this letter to submit and certify your FCC Form(s) 486 in the E-rate Productivity Center (EPC). If you fail to submit and certify your FCC Form(s) 486 in EPC by **11/12/2018**, USAC will change the Service Start Date and you will potentially lose funding. Specifically, for a late FCC Form 486, the start date for the discounted services is reset to 120 days before the filing date of the FCC Form 486. No funding is provided for services rendered prior to the new start date and funding commitments are reduced for the relevant funding request(s).

This is your only reminder. Please note that if your services have not yet started or have started within the last 120 days, your FCC Form 486 may not be late, but still must be certified in EPC within 120 days of your actual Service Start Date.

Following this letter is an [FCC Form 486 Reminder Report](#) that lists the Funding Request Number(s) (FRNs) for which an FCC Form 486 has not been certified in EPC.

To file your FCC Form 486, please navigate to your EPC Landing Page and click on "[FCC Form 486](#)" in the menu bar in the top right corner of the screen. Additional information about when and how to complete this form is on the [FCC Form 486 section](#) of our website. We also recommend that you use the [Deadline Tool](#) on our website to check the FCC Form 486 deadlines for specific FRNs and other Program deadlines.

If you need assistance, you may contact our Client Service Bureau toll-free at (888) 203-8100, or by submitting a customer service case in EPC. To do so, select "[Contact Us](#)" from the menu in the top right corner of your landing page and then provide the requested information.
