**Re: Telephone Number Portability, et al.  
CC Docket No. 95-116; WC Docket Nos. 09-109 and 07-149**

Dear Secretary Dortch:

At the request of the Transition Oversight Manager (the "TOM"), the North American Portability Management LLC (the "NAPM") filed a document from the TOM in the above-referenced proceedings on January 29, 2018.

On March 5, 2018, the TOM requested that the NAPM file an additional document, correcting and retracting statements made by the TOM in the January 29 filing. The TOM's letter to the NAPM requesting that filing and the TOM's correction and retraction of its prior statements are attached hereto as Exhibit A.

Due to the NAPM's failure to file the TOM's correction and retraction, the TOM has authorized Neustar to file the correction and retraction. The TOM's letter authorizing Neustar to file the correction and retraction is attached hereto as Exhibit B.

Accordingly, Neustar, by its attorneys, hereby submits the TOM's correction and retraction for filing in the above-referenced proceedings. We request that the NAPM upload Exhibit A to its transition website as requested by the TOM in Exhibit A.

Very truly yours,

Andrew G. McBride
