Re: *Notice of Ex Parte Communication*
GN Docket No. 18-122

Dear Ms. Dortch:

Per FCC Rule 1.1206, this letter provides notice that on March 5, 2019, Preston Padden, former Head of Advocacy and Government Relations for the C-Band Alliance, sent an email to: Chairman Ajit Pai; Commissioner Michael O’Rielly; Commissioner Brendan Carr; Commissioner Jessica Rosenworcel; Commissioner Geoffrey Starks; Donald Stockdale, Bureau Chief, Wireless Telecommunications Bureau; Tom Sullivan, Bureau Chief, International Bureau; Julius Knapp, Chief, Office of Engineering and Technology; Matthew Berry, FCC Chief of Staff; Nicholas Degani, senior counsel to Chairman Pai; Rachael Bender, legal advisor to Chairman Pai; Erin McGrath, legal advisor to Commissioner O’Rielly; Will Adams, legal advisor to Commissioner Carr; and Umair Javed, legal advisor to Commissioner Rosenworcel.

The email announced that Mr. Padden was resigning from his position and would remain a consultant for the C-Band Alliance. The email also made the following presentation for inclusion in the record:

“The CBA plan is the only practical and workable plan to fulfill the twin public interest objectives of repurposing spectrum for 5G wireless while fully protecting existing C-band customers including TV programmers. Because of the National urgency to get mid-band spectrum to U.S. wireless providers there is no doubt that the CBA plan, or something extremely close to it, will be adopted.”

Please contact the undersigned with any questions regarding this letter.

Respectfully submitted,

/s/ Jennifer D. Hindin
