**CPNI Policy Statement**

The Electric Plant Board (EPB) of the City of Russellville has chosen to prohibit the uses of CPNI for marketing purposes between itself and its affiliates, in any.

EPB requires written approval for release of CPNI to third parties.

EPB employees have been trained on the FCC CPNI rules and the penalties for non-compliance.

Customer Notice and Authorization forms are available to EPB employees for distribution to customers upon request.

EPB will require a password for any customer-initiated telephone contact where call detail information is being requested. If the password cannot be provided, the call detail information will be mailed to the address of record, or by calling the customer at the telephone number of record.

EPB has provided a one-time notification to customers for use of CPNI.

EPB has chosen NOT to use CPNI for marketing.

The Superintendent of the EPB or his designee will serve as the Company CPNI Compliance Officer and will certify annually that the EPB is in compliance with all Federal CPNI rules and will make the required annual filing to the FCC.

Safeguards are in place with all third parties having access to the EPB's customer data or responsibility for creation for EPB customer data. All applicable parties have attested to their compliance with FCC CPNI Rules.
