**APPENDIX A****Supplemental Acknowledgment of Confidentiality****WT Docket No. 18-197**

I hereby acknowledge that I have received and read a copy of the foregoing Supplemental Protective Order in the above-captioned proceeding, and I understand it.

I certify that I am a Reviewing Party entitled to review Highly Confidential Information under the Protective Order,<sup>1</sup> that I have signed the Acknowledgment attached to the Protective Order, that any challenge to such Acknowledgment has been resolved in my favor, and that the Acknowledgment remains in full force and effect. I agree that I am bound by the Protective Order and that the restrictions contained in the Protective Order with regard to Highly Confidential Information apply to Supplemental Highly Confidential Information.

I agree that I am bound by the Supplemental Protective Order and that I shall not disclose or use Stamped Supplemental Highly Confidential Documents or Supplemental Highly Confidential Information except as allowed by the Supplemental Protective Order.

I agree not to argue in this proceeding, or in any other federal or state proceeding, that disclosure of Supplemental Highly Confidential Information pursuant to the Supplemental Protective Order constitutes a waiver of attorney-client privilege or work product protection as to any undisclosed communications or information.

I acknowledge that a violation of the Supplemental Protective Order is a violation of an order of the Federal Communications Commission (Commission). I further acknowledge that the Commission retains its full authority to fashion appropriate sanctions for violations of the Supplemental Protective Order, including but not limited to suspension or disbarment of Counsel or Consultants from practice before the Commission, forfeitures, cease and desist orders, and denial of further access to Confidential, Highly Confidential Information or Supplemental Highly Confidential Information in this or any other Commission proceeding.

I acknowledge that nothing in the Supplemental Protective Order limits any other rights and remedies available to a Submitting Party at law or in equity against me if I use Supplemental Highly Confidential Information in a manner not authorized by this Supplemental Protective Order.

Without limiting the foregoing, to the extent that I have any employment, affiliation, or role with any person or entity other than a conventional private law firm (such as, but not limited to, a lobbying or advocacy organization), I acknowledge specifically that my access to any information obtained as a result of the Supplemental Protective Order is due solely to my capacity as Outside Counsel or Outside Consultant to a party or as an employee of Outside Counsel, Outside Consultant, or Outside Firm, and I agree that I will not use such information in any other capacity.

I acknowledge that it is my obligation to ensure that Stamped Supplemental Highly Confidential Documents are not duplicated except as specifically permitted by the terms of the Supplemental Protective Order and to ensure that there is no disclosure of Supplemental Highly Confidential Information in my possession, in the possession of those who work for me, or in the possession of other Support Personnel, except as provided in the Supplemental Protective Order.
