Request for Waiver:

ALUM ROCK UNION ELEM SCH DIST inquired with USAC as to the status of this FRN and was informed that the Applicant must request a waiver from the FCC for this FRN from funding year 2016.

USAC provided the message below:

After researching, we confirmed the Form 471 # for FRN 1699144868 is currently "Certified-Out-Window." Applications certified outside of the filing window will not be considered for funding unless the applicant requests and receives a waiver of the filing window deadline from the FCC.

Conclusion:

There being no evidence of fraud, waste and abuse of program funds, ALUM ROCK UNION ELEM SCH DIST is of the opinion that we are being deprived of $463,965.00 due to an oversight in submitting the Form 471.

We thank the Commission for its reconsideration in this matter; we are available to respond to questions or to provide any further information requested by the Commission in its review of this appeal
