Re: Verizon Public Notice of Network Change(s), 47 C.F.R. §§51.325–51.335
Copper Retirement ID No. 2018-01-A-NJ

Dear Ms. Dortch:

Pursuant to Sections 51.325 – 51.335 of the Commission’s rules, Verizon hereby submits the attached Public Notice of Copper Retirement under rule 51.332. Specifically, Verizon is providing notification of the replacement of copper distribution and loop facilities with fiber-to-the-home facilities at all locations in the Mays Landing, NJ wire center. Upon completion, Verizon will provide services available over its fiber optic network.

The majority of customers served by copper at these locations purchase “plain old telephone service.” Following transition to fiber, Verizon will continue to offer these customers the same POTS over fiber at the same or better price as they received on copper facilities, with no change in the underlying features and functionalities in their service.

There may be one or more obsolete, narrowband services (such as certain DS0 level services) that are incompatible with or unavailable over fiber. If so, we will work closely with those customers to address their particular needs.

A copy of the attached notice was mailed to the New Jersey Board of Public Utilities, Governor Phil Murphy, and the Department of Defense Chief Information Officer. Verizon has not provided notification to tribal entities as no tribal entity will be impacted by this copper retirement.

Please contact me should you need any further information.

Sincerely,

cc: New Jersey Board of Public Utilities
Governor Phil Murphy
Department of Defense Chief Information Officer

On March 9, 2018, Verizon provided notice of copper retirement to the following:

Aida Camacho
Office of the Secretary
New Jersey Board of Public Utilities
44 South Clinton Avenue
3rd Floor, Suite 314
Trenton, NJ 08625-0350

The Honorable Phil Murphy
Office of the Governor
P.O. Box 001
Trenton, NJ 08625

Department of Defense Chief Information Officer
Attn: Military Asst./Mobility Team
The Pentagon
Washington, DC 20301

6929 N. Lakewood Avenue
Tulsa, OK 74117

PUBLIC NOTICE OF COPPER RETIREMENT UNDER RULE 51.332
Copper Retirement ID No. 2018-01-A-NJ

March 9, 2018

Carrier: Verizon New Jersey Inc., One Verizon Way, Basking Ridge, NJ 07920

Contact: For additional information on these planned network changes, please contact:

Janet Gazlay Martin
Director – Network Transformation
Verizon Communications
230 W. 36th Street, Room 802
New York, NY 10018
1-844-881-4693

Implementation Date: On or after March 9, 2019

Planned Network Change(s) will occur at all locations in the following wire center in New Jersey:

Wire Center	Address	CLLI
MAYS LANDING, NJ	W. Main Street & Hawthorne Street, Mays Landing, NJ 08330	MLDGNJ01

All of Verizon's copper retirement notices may be viewed on Verizon's website at
<http://www.verizon.com/about/terms-conditions/network-disclosures>

Description of the planned network change(s):

Verizon intends to retire the copper facilities in the Mays Landing, NJ wire center. Verizon has deployed or plans to deploy its fiber-to-the-home network in this area and intends to provide services over a fiber network infrastructure.

Description of reasonably foreseeable impact(s) of the planned change(s):

After the retirement of the copper facilities, Verizon will: (1) no longer offer services over copper facilities; and (2) cease maintaining the copper facilities. To help ensure an orderly transition, Verizon may require customers and interconnecting entities to migrate services off of copper facilities well before the copper retirement implementation date.

Description of any changes in prices, terms, or conditions that will accompany the planned change(s):

As a general matter, the retirement of copper facilities will not result in changes to rates, terms, and conditions in cases where the affected service is converted to a like-for-like service that is available on fiber facilities. Interconnecting entities, however, should review the applicable tariff or agreement for certain terms that may apply specifically in cases where the service is provisioned on fiber. In cases where interconnecting entities elect to replace the affected service with an alternative service that Verizon offers on fiber facilities, the rates, terms and conditions will be as set forth in the tariff or agreement under which Verizon offers the replacement service that the interconnecting entity selects. Verizon, separately from this notice, will provide interconnecting entities with further information regarding service migration options that Verizon offers.
