Re: Notice of Ex Parte Presentation, In the Matter of Applications of T-Mobile US, Inc. and Sprint Corporation, Consolidated Applications for Consent to Transfer Control of Licenses and Authorizations, WT Docket No. 18-197

Dear Ms. Dortch:

On March 7, 2019, Lee Schroeder, Executive Vice President, Government & Community Affairs of Altice USA, Inc. (“Altice”), together with her counsel from Akin Gump Strauss Hauer & Feld LLP, Jennifer Richter and Shea Boyd, met with William Davenport, advisor to Commissioner Starks.

In this meeting, Altice discussed its concern about proposed merger of Sprint and T-Mobile. Altice emphasized that the proposed transaction would limit new sources of competition in the retail wireless market by eliminating the only real source of competition in the wholesale market today – competition between Sprint and T-Mobile. Altice provided the attached slides to facilitate the conversation. Additionally, Altice provided Mr. Davenport with its response to the Commission’s information request, previously filed on January 28, 2019, which is incorporated herein by reference.¹

Sincerely,

/s/ Jennifer L. Richter
