Re: Docket No. 09-197: Telecommunications Carriers Eligible to Receive Universal Service Support; Petition of Redwire, Inc., for Designation as an Eligible Telecommunications Carrier Pursuant to Section 214(e)(6) of the Act

Dear Ms. Dortch:

On February 15, 2019, Redwire, Inc. ("Redwire"), filed the above-referenced Petition for Designation as an Eligible Telecommunications Carrier pursuant to Section 214(e)(6) of the federal Telecommunications Act of 1996, in order to receive Connect America Fund Phase II funding awarded to Redwire in FCC Auction 903. On March 6, 2019, counsel for Redwire received comments filed in this matter by the Public Utility Division of the Oklahoma Corporation Commission (OCC).

After completing a more thorough comparison of census blocks awarded to Redwire in Auction 903 with Otoe-Missouria tribal lands, it does not appear at this time that any awarded census blocks are located within Otoe-Missouria lands. Therefore, Redwire respectfully withdraws the above-referenced Petition for ETC designation. Please contact the undersigned if you have any questions.

Sincerely,
