**ORDER**

On August 6, 2013, Sage Telecom Communications, LLC, d/b/a TruConnect (TruConnect) filed an application for designation as an eligible telecommunications carrier (ETC) for purposes of universal service fund support (Low-Income Lifeline). On May 13, 2014, the Commission issued an order approving TruConnect's application. TruConnect was designated an ETC throughout the service territories set forth in the wire centers listed in Attachment D to the August 6, 2013 application. The wire centers listed in Attachment D comprise the current designated service area of TruConnect.

On January 17 and 26, 2018, TruConnect filed an application and revised application, respectively, pursuant to Section 214(e)(2) of the Telecommunications Act of 1996, 47 USC 214(e)(2), requesting approval to expand its designated service area to include additional

exchanges through the network of its underlying carriers, Sprint Spectrum L.P. (Sprint), Verizon Wireless (Verizon), and T-Mobile USA, Inc. (T-Mobile). In TruConnect's January 26, 2018 filing, the company requested that the Commission approve the proposed service area as shown in Exhibit 3 of the revised application to supplement its prior designated area for the purpose of receiving federal and state low-income universal service support for wireless services, specifically Lifeline.

TruConnect is currently an ETC throughout the exchanges served by AT&T Michigan, Frontier North Inc., and Frontier Midstates, Inc., and operates as an ETC under Study Area Code 319041. TruConnect is compliant and current on their quarterly reporting, as required by the May 13, 2014 order in this case.

After reviewing TruConnect's application, the Commission finds that the request to expand the service area will serve the public interest and promote the availability of universal service, and should be granted. All other aspects of the original May 13, 2014 order remain in effect.

THEREFORE, IT IS ORDERED that the application filed by Sage Telecom Communications, LLC, d/b/a TruConnect, to expand its eligible telecommunications carrier area to include all exchanges listed in Exhibit 3 to the January 26, 2018 application is granted.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party aggrieved by this order may file an action in the appropriate federal District Court pursuant to 28 USC 1331. To notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at [mpscedockets@michigan.gov](mailto:mpscedockets@michigan.gov) and to the Michigan Department of the Attorney General - Public Service Division at [pungpl@michigan.gov](mailto:pungpl@michigan.gov). In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
