▼Narrative

We are appealing the following two Funding Commitment Decisions: 1) \$0.00 - DR1: Applicant has not provided sufficient documentation needed to determine the eligibility of the following item(s): POTS for FRN 1799064360; and 2) \$0.00 - DR1: Applicant has not provided sufficient documentation needed to determine the eligibility of the following item(s): ISDN-PRI for FRN 1799036821. The reason for this appeal is that the applicant's consultant was not able to submit the supporting documentation requested in the PIA Review Inquiry by the response due date. Please find attached a bill for AT&T account # 216-429-2808 788 3 for 5 POTS lines (FRN 1799064360) and a bill for AT&T account # 216-R01-9900 900 4 for 1 ISDN PRI circuit (FRN 1799036821). We are requesting that the two denial decisions be reversed based on the attached documentation.
