Re: Notice of Ex Parte, Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket No. 05-311

Dear Ms. Dortch,

On March 13, 2019, Mike Wassenaar of the Alliance for Community Media; Jim Horwood of Spiegel & McDiarmid; David Gautier of Wincam, Winchester MA; and Richard Turner of Community Media Center of Westminster, MD met with Commissioner Jessica Rosenworcel and Policy Advisor Kate Black.

We expressed our concerns about the impacts of proposed rules in the proceeding on PEG (Public, Educational and Government) Access services especially in the context of academic studies reflecting the reduced amount of local information available to small cities and rural and suburban communities in so-called “media deserts”. And we reiterated our position from earlier comments that the proposed rules are contrary to the Cable Act.

This letter is being filed electronically pursuant to section 1.1206 of the Commission’s rules. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Wassenaar", with a long horizontal line extending to the right.

Mike Wassenaar
