Re: *Reliability and Continuity of Communications Networks, Including Broadband Technology*, PS Docket No. 11-60

Dear Ms. Dortch:

On March 14, 2019, I spoke by telephone with Jeffery Goldthorp of the Public Safety and Homeland Security Bureau to clarify information provided in the redacted portion of our November 26, 2018 letter to the Commission in this proceeding. The discussion related to Verizon's roaming-related efforts in the aftermath of Hurricane Michael and falls within the scope of our previously-filed request for confidential treatment. (*See* Letter from Robert Morse to Marlene Dortch in PS Docket No. 11-60, Response at 5-7, filed Nov. 26, 2018.)

This letter is being filed electronically pursuant to Section 1.1206 of the Commission's rules. Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Robert G. Morse". The signature is written in a cursive, flowing style.
