Elixzina,

We are unable to provide written information regarding the invoices filed for FY2002 Form 471 #286555 FRNs 734281, 734282 and 734286 because they were filed by the Service Provider using the Form 474 SPI. The Service Provider is who will need to request this documentation since they are the ones that have filed the invoices.

You can search for information from 2015 and earlier using the Data Retrieval Tool. This tool allows searches for various information related to applications, funding commitments and disbursements. Here is a direct link to the Data Retrieval Tool: <http://www.slforms.universalservice.org/DRT/Default.aspx> and detailed instructions: http://usac.org/_res/documents/sl/pdf/tools/DRT-Instructions.pdf

Thank You,

Taeler King
