Re: Pin request / Missed Deadline

On October 9, 2018, I contacted USAC by telephone requesting a Pin so that I can complete my BEAR Form #472 for 30% reimbursement of our Phone Bills in the amount of \$3044.52

All of the USAC representatives were friendly and helpful. My only issue is, when the Pin request was denied I should have been notified in some way (Case update, email, call). I checked my email and the case on a regular basis expecting that the new Pin would show up soon. I thought the deadline was on November 1, so I contacted USAC by phone on October 30. I was told that my Pin request had been denied and that I needed to fill out a form for the Pin request etc. and file for an extension. I filled out the Pin request and attached it to the case but was unable to file the deadline extension because the window had closed on the 29th.

I would like to request that the extension be granted so that I can complete my form. I have been filing E-rate for the District for about 10 years and have never missed a deadline until now. If I had been notified in a timely manner that my Pin had been denied, I would have been able to resolve this issue on my own. I appreciate your time and apologize for the inconvenience.

Sincerely,

Jeff Vantrease
