**Request for Waiver of
FCC Form 472 Filing Deadline for Funding Year 2018
RE: FCC Form 470**

I. INTRODUCTION AND SUMMARY

The Murray School District serves K-12 school age children in a small urban area of the state of Utah. Murray School District has been successfully participating in the E-rate program for many years. Recently a new person took the role of e-rate and did not have the required information ready prior to the filing deadline. This was also his first filing of e-rate. The form was posted and submitted but it was submitted past the Feb 22 deadline.

II. Request

The Murray City School District respectfully requests that the Commission grant a waiver of the Funding Year 2019 FCC Form 470 filing deadline on behalf of the Murray City

School District to allow the late submission of their E-Rate Funding Year 2018 FCC Form 470,
due to the unintended late filing on behalf of the district by a first time e-rate submitter.

Respectfully submitted,
