Re: *Section 63.63 Application of Comcast IP Phone, LLC, Comcast Business Communications, LLC, and Comcast Phone of California, LLC,*
WC Docket No. 19-33

Dear Ms. Dortch:

On January 28, 2019, Comcast IP Phone, LLC, Comcast Business Communications, LLC, and Comcast Phone of California, LLC (collectively, “Comcast”) submitted an application seeking emergency authorization under Section 214(a) of the Communications Act and Section 63.63 of the Federal Communications Commission’s (“Commission’s”) rules to temporarily suspend certain of Comcast’s interstate services within Magalia and Paradise in California due to the devastating effects of a wildfire that took place in the area. Comcast hereby notifies the Commission that Comcast expects to complete restoration of service to the affected communities by March 29, 2019.

Respectfully submitted,

/s/ Brian A. Rankin
