**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are a country built on the American dream. Choice and competition are healthy. As more and more of daily life relies on the ability to stay connected, it is critical that broadband competition is supported. Providers in my area are already limited and I would like more choices, not fewer. I implore you to support Bridge 2 Broadband and local competitive internet providers!

Thank you.
