**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had been stuck most of my life with just a single viable ISP option, and during that time, there was never any incentive for my ISP to substantially improve my service. Ive since moved to a larger city with a multitude of options and the quality of the service has gone up tremendously. Its clear the effects of competition and multiple choices results in higher quality service for citizens like myself, I ask you to please do what you can to enable the competition of providers I have benefited from to be spread through more of the country. Its the American way!
